- SECTION III - COVERAGES
- SECTION IV - EXCLUSIONS
- SECTION V - LIMIT OF OUR LIABILITY
- SECTION VI - CANCELLATION
- SECTION VII - GENERAL CONDITIONS
- SECTION VIII - HOW TO MAKE A CLAIM

SECTION I - INSURING AGREEMENT

We provide coverage under the **coverage plan** selected for the **covered vehicle** against an **occurrence** up to the **term and mileage expiration**, and subject to the terms, conditions and provisions of this policy.

In reliance on the statements you made to us, we agree to provide the insurance described in this policy. In return, you must pay the premium and comply with the policy terms. By accepting this policy, you agree that:

1. The statements contained in the declarations page and your application are your agreements and representations;
2. We have issued this policy in reliance on the truth of such representations; and
3. This policy contains all agreements existing between you and us or any of our agents.

Various provisions in this policy restrict coverage. Read the entire policy carefully to determine rights, duties and what is and is not covered.

SECTION II – DEFINITIONS

Throughout this policy, the words "you" and "your" refer to the named insured shown in the declarations page. The words "we", "us" and "our" refer to the company providing this insurance. Other words and phrases that appear in bold face type have special meaning. They are defined as follows:

1. **Administrator** means the **Administrator** as printed on the declarations page.
2. **Actual cash value** means the average retail value of the vehicle as determined by the current NADA retail automobile guide or its equivalent, less any appropriate deductions for condition.
3. **Cost** means the usual and fair charges for parts and labor necessary to repair or replace the **covered parts**. These charges shall not exceed manufacturer's suggested retail price for parts, and labor allowances derived from nationally recognized labor time standards. Replacement will be made with parts of like kind and quality.
4. **Coverage plan** means the particular **coverage plan** protection you have selected, as shown on the Coverage Information Section of the declarations page.
5. **Covered part** means that part or parts of a **covered vehicle** which we have agreed to cover in the **coverage plan** that applies to the **covered vehicle** shown on the declarations page and which is not specifically excluded in the section "What is Not Covered and Non-Covered Parts".
6. **Covered vehicle** means the vehicle that is described in the declarations page.
7. **Effective date** means the date that coverage becomes effective for the **covered vehicle** shown on the declarations page. Inception of coverage is subject to a thirty (30) day and one thousand (1,000) mile waiting period on Pre-Owned Vehicle plans before coverage begins. The waiting period will not reduce the actual time/mileage available under the Policy.

8. **Expiration date** means the date shown on the declarations page, which is the date that, once exceeded, will cause this policy to expire, even if the **expiration mileage** has not been reached. (Note: This policy expires at the earlier of either the **expiration date** or **expiration mileage**, whichever occurs first).
9. **Expiration mileage** means the total number of miles up to which coverage is afforded under this policy. When the vehicle's mileage as recorded on the vehicle's odometer reaches the specified **expiration mileage**, coverage ends unless the **expiration date** has been reached prior to the **expiration mileage** having been reached.
10. **Mechanical breakdown** means the failure of a **covered part** on the **covered vehicle** due to a defect in the part or faulty workmanship as supplied by the manufacturer, making the part unable to mechanically perform the function for which it was designed. A **mechanical breakdown** does not include gradual reduction in operating performance as a result of normal wear and usage. The manufacturer has established tolerances for the express purpose of defining failure and serviceability. When a **covered part** fails to perform within the vehicle manufacturer's specified tolerances, a **mechanical breakdown** will be considered to have occurred. **Mechanical breakdown** means a failure of a **covered part** due to:
 - a. a defect in the part; or
 - b. a defect in another **covered part**; or
 - c. faulty workmanship of any **covered part** by the manufacturer.
 It does not include failure of a **covered part** caused by a part that is not a **covered part**.
11. **Occurrence** means a loss to a **covered vehicle** caused by the **mechanical breakdown** of one or more **covered parts**.
12. **Repairer** means a franchised automobile dealer or licensed repair facility that provides a written parts and labor guarantee for covered repairs of not less than 3 months or 3,000 miles.
13. **Term and mileage expiration** - NEW VEHICLE PLANS: This policy is effective on the **effective date** and expires on either the **expiration date** or the **expiration mileage**, whichever occurs first. PRE-OWNED VEHICLE PLANS: This policy is effective on the **effective date** and expires on either the **expiration date** or the **expiration mileage**, whichever occurs first.
14. **Warranty** means any **warranty** of the manufacturer, a licensed **repairer** or a supplier's guarantee.
